

It's a wrap!

The filming on location in Petoskey of "Basis of Decision," a short film by 2007 Petoskey High School graduate Erich Rettstadt (below), concludes on Sunday, April 10. Fifty young filmmakers from all over the world are a part of the "Basis of Decision" cast and crew that have been filming at locations throughout Petoskey over the past 10 days. Filming has taken place on Lake Street, at the waterfront (left), at St. Francis School, the Petoskey library and Central Elementary School (left, below).
